‘ Kant Process’

Date- 09/08/2019

A workshop on ‘ Kant Process’ was held on 26th July 2019 at kendriya vidyalaya , Noida Sec 24. Mr. Hiridyash Kant was the Assistant Commissioner of this workshop. Honorable Mrs. Sunita Rai of Agra Region was the guest of honor in the workshop.

‘Kant Process’ is developed by bostan, USA based software expert Hiridyash Kant, this process dramatically enhance the subject engagement for all students. Main purpose of this process is to access the best quality education for all , without the excuse of heavy investment. For conducting Kant class we need smart board, lach rins of two size and chart. This resource is based on continuous evaluation of the students. Class Room is divided in multiple groups and students are seated in front of Projector.

In kendriya Vidyalaya Bulandshahr , workshop for teacher was organized by Ms. Rashmi Yadav and Mrs. Gayatri on 09th August 2019.
